### **AFA Connection**

[www.afaconnection.com](http://www.afaconnection.com)

**AFA Connection** is a trio of DJs and producers composed by **Andrea Corelli, Francesco G** and **Andrea Monta**.

All of them have at their credit years of solo career as DJ and producers and have individually remixed the most important names of international pop music: from Black Eyed Peas to Toni Braxton, from Raf to Giusy Ferreri and Run DMC.

They have performed individually in clubs and venues all around the world, from **Moscow** to **Miami** and **Ibiza, Taipei, Amsterdam** and **London** while in Italy, in full formation they have been the soundtrack of the official party of **Venice Cinema Festival 2011** and testimonials for **Diesel Jeans**.

They have shared the console with top International DJs from Bob Sinclar to David Morales, from Benny Benassi to Frankie Knuckles.

As producers they have recently seen success with their personal version of "We Will Rock You", cover of the historical piece by Queen, which has remained in the Top 10 of Beatport for over three months, being played by DJ all around the world and licenced in more than 20 international top compilations.

Their mix show is broadcast monthly on Radio 105 (inside the program **105 In**

**Da Klubb**), as well as on a network of international radio and webradios.

The show is extremely involving because they can be seen working simultaneously at the console, each one with his own equipment (CD player, controller or computer) to create a unique DJ set where exclusive remixes and unfindable mashups are blended with most refined music.

**Technical raider:**

- Console with 2 CDJ Pioneer readers, any model able to support USB keys, and a mixer with at least 4 usable line channels (2 for the CD Readers and 2 for two PCs)

- Room on a flat of at least 260x80 cm to install the equipment. The setup is always different but it is surely composed of at least 2 PCs + controller, as well as the mixer and the CD readers supplied by the organization.
- 6 socket plugs maximum 1 metre far from the equipment
- a monitor speaker

**Transportation:** the AFA Connection leave from Milan. They usually travel by car but, in case of distances over 300 kms from Milan, three economy class plane tickets are requested. In case of flight the transport from and to the airport must naturally be foreseen.

**Accommodation:** Three double bedrooms for single use are required in a hotel 3 stars or over.

**Other:** selection of alcoholic and soft drinks during the evening.
