artistic qualities, unpredictable and versatile singer able to manage with high class and personalize her lives with wonderful performances, adapting herself to the sound and actively involving her audience.

The performance of the couple is a an irresistible mix of playing and remixing, Enriched by Alexandra's live performances which perfectly blends with the sound proposed by Andrea.

Technical card:

Room on a surface of at least 80x80cm to set up the equipment. The setup is generally very similar to the one in the picture but it can vary.

- 2 sockets maximum 1 metre far from the equipment
- An RCA stereo entry into the mixer of the audio equipment
- A spy case on the right of the console
- An aux exit on the mixer where the master to connect the ear-monitors has to be directed
- A Jack canon microphone entry.

Trasportation:

Andrea and Alessandra leave from Milan and travel on their own. They normally travel by car, but, in case of distances over 300 kms from Milan two economy class plane tickets are requested. In case of flight also the transport from and to the airport must be foreseen.

Accomodation: two double bedrooms for individual use are requested in a hotel 3 stars or over.

Other: Selection of alcoholic and soft drinks during the evening.
